## WEBINAR

### ***Building a Career with a Bachelor's Degree in Sociology***

*In this webinar two young professionals who majored in sociology will share how a degree in sociology shaped their career paths and how sociological principles are employed in their positions on a daily basis. Their comments and advice to sociology students will be supplemented by Dr. Teresa Ciabattari, Associate Professor of Sociology at Pacific Lutheran University who will be presenting data on the kinds of skills that employers are looking for and how sociology majors are using their skills in the workplace. She will also discuss how sociology programs can support the career readiness of their students.*
